Negotiating Committee Concerns

Re-opener

- The Committee will broach these subjects but will not force these issues to overstep boundaries
 - This is an opportunity to get these things done because there is not much on the table. (in a full round of negotiations these types of things get pushed aside)

Full-time / Part-time Ratio

- The current ratio causes difficulties for all departments but is particularly an issue in small

departments

Discussion:

- Could exec highlight the top three or four issues that the Committee could focus on
 - The executive will consider this again and provide the Committee with this
- The Executive should start thinking about who will be encouraged to be on the team next year
 - The continuity that Lee has provided for years is hugely important to the MRFA
 - The Executive will consider this

MRFA Executive Board Meeting

Agenda

- Added Nominee for Distinguished Administrator Award

Unfinished business:

CAUT Academic Freedom Fund

- Need treasurer's input: we will consider this at management next week

New business:

1. Nomination for Distinguished Administrator

Gerry moves THAT the MRFA Executive collectively nominate Dave Marshall for the Distinguished Administrator/Manager with Bruce Ravelli being the seconder of the nomination.

Seconded: Gerard Lucyshyn

Discussion:

It would be nice if it could come from the MRFA and MRSSA

Gerry will discuss this with Bruce

2. Exec Meeting: January 17

Monday meeting rescheduled to Friday January 21, 11 - 1

3. Fixed Term Part-time Appointment Payroll Errors

- Need to send out e-mail to all 25 people that there were payroll errors regarding overpayments and/or claw backs and if you are having any issues please contact Gerry

4. Draft Step 2 Resolution for Scheduling Policy Grievance

- The written draft is not ready yet it will be e-mailed to exec over the weekend and Gerry needs comments on it by the end of Monday
- It will say that Robin and Gerry have agreed to set aside, for now, the violations of the CA that are asserted and to charge a modified version of the scheduling committee to compile a list of issues with the scheduling system and to recommend solutions. There will be timelines incorporated in this

5. HR Proposal on PT Eligibility for Benefits

- Background
- Discussion
 - Gerry is going to try to get Robin to send the issue to the joint committee if that doesn't

work Exec will have to consider whether it should be sent to arbitration
Gerry moves that the Executive reject this Letter of Understanding from HR

Seconded: Qasim Syed

Discussion:

Consequence of rejection would be to formally file the policy grievance

The Joint review committee can authoritatively interpret the CA when an item is
sent to them by the MRFA President and the Provost and VP Academic.
