

Vice-President, Administrative Services

The search for a new Vice-President of Administrative Services will start soon. Faculty will be asked for their views regarding selection criteria. The following list has been drafted by the Executive for discussion at the general meeting.

- 1) Experience in the public sector – post-secondary education, health care, municipal, board of education, significantly large non-profit
- 2) Senior experience in an organization of comparable size
- 3) Financial or accounting designation
- 4) Strategic thinker – experience in development and implementation of strategic plans
- 5) Demonstrates an understanding of and respect for academic culture, interest-focused collective bargaining, and academic governance
- 6) Track record of allocation of resources in a collective, transparent manner
- 7) Experience preparing funding plans for government approval
- 8) Experience with capital expansion
- 9) Able to manage institutional growth
