# Draft Statement #1

The MRFA is a collegial community of reflective educators. Our vision is to advocate for the pursuit of excellence in all aspects of the faculty role through the principles of cooperation and collaboration. Our mission is to support and develop the common goals of academic freedom, tenure, diversity and human rights within the university.

## Draft Statement #2

The MRFA is a proud community of progressive educators. We advocate for the pursuit of excellence in all aspects of the faculty role through the principles of cooperation and collaboration. Our mission is to support and develop the common goals of academic freedom, tenure, diversity and human rights within the university.

# Draft Statement #3

## Vision

The MRFA is an engaged community of reflective educators. We advocate for the pursuit of excellence in all aspects of the faculty role through the principles of co-operation, collaboration and innovation.

## Mission

Our mission is to support the goals of academic freedom, tenure, diversity and human rights within the university.

# Feedback from departments

- Facilitated by department communicators
- Thank you, it was very useful
- The committee used some of the ideas presented
- The feedback also stimulated some fresh thinking among committee members
- Resulted in a new proposed statement open for comment until the AGM

# Proposed statement to be used everywhere except on the website

## Vision

Progressive educators pursuing excellence.

## Mission

The Mount Royal Faculty Association provides a collective voice for faculty, promotes tenure and academic freedom, advocates for the highest standards of professionalism in higher education, and upholds the values of diversity, equity and human rights.
