

## Tuition Refund Application for Members of the Mount Royal Faculty Association

Pursuant to **Article 18.2 of the Collective Agreement**, faculty may apply for reimbursement for successful completion of credit courses or for graduate studies tuition fees at a post-secondary institution other than Mount Royal. Applications are processed in the fall for the previous September 1 to August 31 period.

### Eligibility Requirements:

- You must have been an MRFA faculty member in the period for which you are requesting funding;
- Contract Faculty must have taught three or more courses in the period for which they are applying;
- Only courses **completed** between September 1 – August 31 will be funded; and
- Only Fees specifically listed as “Tuition fees” will be considered eligible.

The funds are divided into two pools:

- 1) **PhD or terminal degree work:** for reimbursing full time and limited term employees who successfully complete credit courses, or for program fees, towards the completion of a PhD, or terminal degree, in their discipline;
- 2) **Other:** for reimbursing full-time, limited-term, sessional, continuing, and fixed-term employees who successfully complete credit courses, or for graduate studies program fees, at any other post-secondary institution.

**Submission:** Submit applications to the MRFA Executive Assistant.

A complete application consists of:

1. This form completed and signed by both the applicant **and** the Chair.
2. Receipts from the post-secondary institution attended showing all fees being claimed. General fees such as student union dues and campus recreation fees **are not eligible** for reimbursement. Any costs associated with producing or distributing a thesis **are not eligible** for reimbursement.
3. In the case of credit courses or courses taken as part of graduate programs, **attach a transcript** showing successful course completion.
4. In the case of graduate studies program fees, **attach proof** of your status in the program.
