Re: Information Picket, November 21, 2019

Dear Justin,

Thank you for the warm invitation to attend the Information Picket organized for November 18, 2019. Given the nearness of the end of the semester, the Mount Royal Faculty Association (MRFA) is unable to send a delegation to march with you at that time, but know we stand in solidarity with you.

If possible, we would like to send the following words of support to you and those in attendance:

To our comrades in AUPE Local 052, and all other unions heading into bargaining in the new year, know that the Mount Royal Faculty Association, a union of post secondary educators, stands in solidarity with you and your struggle. Together we are strong.

Please continue to invite us to any future event that might be planned.

Melanie Peacock,
President
Mount Royal Faculty Association

Madelaine Sommers, AUPE Organizer
