Re: Information Picket, November 5, 2019

Dear David,

Thank you for the warm invitation to attend the Information Picket organized for November 5, 2019. The Mount Royal Faculty Association (MRFA) is unable to send a delegation to march with you at that time, but know we stand in solidarity with you.

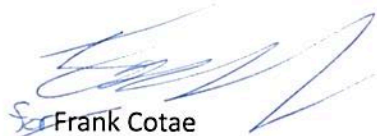

If possible, we would like to send the following words of support to you and those in attendance:

To our comrades in AUPE Local 095, and all other unions heading into bargaining in the new year. Know that the Mount Royal Faculty Association, a union of post secondary educators, stands in solidarity with you and your struggle. Together we are strong.

Please continue to invite us to any future event that might be planned.

Melanie Peacock,
President
Mount Royal Faculty Association
