**Re: Solidarity for Legal Strike**

Dear Lynson,

Through the Canadian Association of University Teachers (CAUT) Defence Fund, the Mount Royal Faculty Association has been kept updated about your picket lines. Given the nearness of the end of the academic semester, we are unable to send a delegation to march with you at that time, but know we stand in solidarity with you.

We would like to send the following words of support to you and those in currently on the picket line:

*To our comrades within the Teamsters Canada Rail Conference, know that the Mount Royal Faculty Association, a union of post secondary educators, stands in solidarity with you and your struggle. Together we are strong.*

Please do not hesitate to contact either myself or Frank Cotae, MRFA's Advocacy Officer, if we can assist with anything.

Melanie Peacock,  
President  
Mount Royal Faculty Association
