How to check your SPOT response rate on BLUE

Log into Blue.

Go to the “eye” icon that you can see next to a course that is being evaluated and click on it. This will give you access to your response rate.

Click on the “eye”, even though it does not look as a link:

DO NOT click on the “Response Rate” button, as this is a subscription-based service which we do not have access to, which always leads to this error:
