

Mount Royal Faculty Association Bulletin April 19, 2021

Highlights this Week:

Return to Campus Comment Form

As we are approaching the end of a very challenging academic year, we are now looking forward to 2021-2022 and are seeking your thoughts on the return to campus. Specifically, other than the mandatory masking and traffic control, we want to hear about the safety measures you want in place. Please take a moment to provide your thoughts in our [member comment form](#). Your input provided via this form throughout the pandemic has helped the Association represent your interests as we faced the many challenges throughout the past year, moving forward the Association will continue to solicit and follow up on your concerns.

MRU Policy Consultation - *Workplace Violence and Harassment Prevention*

In accordance with the University's policy framework, a draft of the proposed new *Workplace Violence and Harassment Prevention* policy has been posted on the policy website for the 30-day consultation period. The draft may be downloaded [here](#). Feedback can be sent directly from the [website](#) or to policy@mtroyal.ca by May 14, 2021.

@mrfa.net Spam Email Filtering

It has been brought to our attention that some MRFA emails are being filtered to spam when they are sent from the Association's @mrfa.net server. Please take a moment to ensure that you have not missed messages and mark @mrfa.net as safe if any messages have been filtered to spam (the most recent message was sent from negotiations@mrfa.net on April 13). Moving forward, the Association will be sending more communications from its server; so, it is important that you keep this in mind should you suddenly stop receiving our messages.

Question of the Week

What do you think of the Association’s new logo? [I like it](#), [I don’t like it](#), or [I am unsure](#).

As reported at the April 9 Regular meeting, the Association has just completed the process of developing a new logo. The logo development video is available [here](#). The Association expresses its sincere appreciation for the work of the student designer on this project, Victoria Yelle, and the faculty members who facilitated this work, Milena Radzikowska and AnneMarie Dorland, as well as the work of the Communications Committee and the Communications Officers Kirk Niergarth, and previously, Brenda Lang. Read more about the new logo development process [here](#).

Based on the current positions at the bargaining table, respondents indicated they would support all of the following actions (presented in order of support indicated):

1. I would support a letter/petition/social media campaign,
2. I would vote in favour of a strike vote (to indicate my support of the Negotiating Committee in reaching a fair agreement), and
3. I would support and participate in MRFA Information Pickets (online or physically distanced),

For more information on the current status of bargaining, review the Collective Bargaining Bulletins 7-9 You need to [log in](#) first to access the [bulletins](#).

Thank you to all members who take the time to respond to these questions. The Association continues efforts in representing your concerns and your feedback is very helpful in this process!

Faculty are Asked to Complete a Profile Demonstrating the Value of PSE

Even amidst the current challenges, we need to continue to advocate for PSE. The MRFA Advocacy Committee plans to showcase the value of the work being achieved, thereby illuminating the damaging consequences of diminished funding and support for the post-secondary landscape. If you would like to volunteer to be highlighted as part of this initiative, please fill out the [online faculty profile form](#) or contact our Advocacy Officer Frank Cotae (fcotae@mtroyal.ca). The Advocacy Committee will also be highlighting the significant impacts these budget cuts have on our students. Members are welcome to share the [online student profile form](#) with students who want to have their voice heard.

Faculty Members are Asked to Provide Their Contact Information

Thank you to all members who have taken the time to provide their private contact information. If you have not yet had a chance to respond please do so now [online](#). It is important that the Association have this information on file in the event of a lockout or strike or other Association initiatives which require a high level of member engagement. Please note – this is just a matter of preparedness and is not in any way related to the current state of negotiations.

Google Calendar

Instructions for how to add the MRFA Calendar to your Google Calendar are available [here](#), and the calendar is always available at mrfa.net/calendar.

University of Alberta

On March 22 the AASUA launched a campaign to fight back against Kenney's cuts to post-secondary education and to protect our future. MRFA Members can support our UofA Colleagues by:

- Sharing the [AAUSA Facebook post](#) announcing the campaign.
- Publishing your own post with a link to the [AAUSA campaign petition page](#).

Update on Laurentian University and Call to Action

Laurentian University in Sudbury, Ontario is the first public university to declare insolvency. The MRFA Executive Board has sent a letter to the Laurentian University Faculty Association expressing our support of their ongoing efforts, but they need more support from individuals.

Please take a moment to lend your voice by asking the federal government to step up. The federal government can assist through its support for Official Languages and Indigenous education, research and core operating funds. It can show leadership by working with the provinces to develop and fund a plan for post-secondary education as it has for childcare, housing and health care. Please take two minutes to [sign this letter](#). If sharing on social media, tag @LUFU_APPUL and use #cdnpse and #FundLU.
