NEWS JUST IN!

Concordia University of Edmonton (CUE) Faculty Association voted overwhelmingly in favour of a strike mandate. With 95% of members voting, 90% of the ballots were in favour of a strike to press their demands. CUEFA becomes the first faculty association to vote for strike action since universities were moved to the Alberta Labour Code.

Also today: CAFA has voted to write to the Board Chair at the University of Alberta about its actions at the bargaining table, which have prompted the [AASUA](#) to file an unfair labour complaint. CAFA is expressing its deep concern about how the Board's actions undermine collective bargaining across the province.
