

Appointments Policy

Category: Operational Policy

Date last Revised: June 9, 2023

I. Overview

As set forth in the Association Bylaws (Article 8.5), the Executive Board is empowered to appoint Members of the Association to committees and office, subject to provisions in the Standing Committees article of the Bylaws and the Removal, Resignation and Appointment article of the Bylaws (Articles 10 and 13). Whereas appointments pursuant to Article 10 are routine appointments to Standing Committees and appointments pursuant to Article 13 are to fill vacancies between annual Executive Board and Standing Committee elections, the Executive Board is also, from time to time, required or requested to appointment persons to ad hoc committees of the Association, joint committees of the Association and the University, committees of the University, and other committees, offices or positions for which an Association appointee is required or requested.

In accordance with Article 8.5.1 of the Bylaws, the Executive Board at its sole discretion is empowered to appoint up to two additional members to any Standing Committee, beyond the number of members specified in Article 10 of the Bylaws, in order to increase the diversity of membership with respect to category of appointment, faculty or academic unit, or membership in an equity-seeking group.

The purpose of this policy is to specify the criteria and process for appointments, and to specify the corresponding duties appointees have to the Association.

Within this Policy, the term *position* is defined to mean membership on committees, office, or any other role for which the Association is required or requested to select an incumbent or nominee (whether ex-officio, appointed or elected). Further, the terms *appointment* or *appointee* shall be inclusive of positions for which the Association selects a nominee for an external position, to be elected, appointed or otherwise confirmed by an external body.

II. Scope

This Policy applies to appointments made by the Executive Board, except in the case of appointments made pursuant to the Standing Committee article of the Bylaws or made pursuant to approved ad hoc committee charters, where the Executive Board is empowered to appoint non-voting members of committees in advisory roles (these advisory appointments are listed in the table below for completeness).

For greater clarity, this Policy also describes those positions for which the Association selects members through election, but where these positions are not established pursuant to the Bylaws (e.g. certain University committees for which MRFA representatives are requested by the University).

III. Guiding Principles

Appointments are used by the Executive Board for filling positions that are not ex-officio, where either:

- Incumbents are required to possess specific qualifications or experience necessary for the successful discharging of their duties;
- Incumbents have significant representational duties on behalf of the Association;
- Committee membership is being expanded pursuant to Article 8.5.1 of the Bylaws; or
- It is not otherwise practicable to select an incumbent through an election process.

IV. Process

The following appointment process shall be followed by the Executive Board, except when an appointment is required to be made by the Executive Board from among the members of the Executive Board, in accordance with the Bylaws or an approved ad hoc committee charter:

- a. Appointment criteria shall be established by the Executive Board for each position, whenever appointment criteria have not otherwise been specified in this Policy or elsewhere (e.g. in the Bylaws or an approved committee charter).
 - i. The criteria shall include the criteria for eligibility, which shall normally consist at a minimum of Membership in the Association regardless of appointment category, faculty or academic unit.
 - ii. The criteria shall include diversity and equity criteria as set out below.
 - iii. The criteria shall be recorded in the appointments table and criteria may be amended, as required, with the approval of the Executive Board.
- b. The Executive Board shall solicit written expressions of interest from the Members of the Association. At a minimum, the call for expressions of interest shall identify the position (accompanied by supplementary information about key duties or a link to more information, as appropriate), the term of appointment, the appointment criteria, and the mechanism and deadline for submission of expressions of interest. The call shall also include a diversity and equity statement as described below. The deadline for expressions of interest shall not normally be less than seven (7) working days from the date the call is first issued.
 - i. The call for expressions of interest shall be communicated to the membership in writing, and shall be promoted through the Association's internal distribution mechanisms in accordance with the Communications Policy.
 - ii. The Membership Engagement Committee and the MRFA Department Liaison Network shall be informed of the call for expressions of interest.
- c. The Executive Board shall make all decisions concerning appointments after considering, in confidence, all of the corresponding expressions of interest received and in consideration of the appointment criteria. If the Executive Board deems the pool of candidates to be insufficient, it may postpone the appointment decision either definitely or indefinitely, and may issue a secondary call for expressions of interest.

V. Diversity and Equity

Calls for expressions of interest shall include the statement that the MRFA encourages expressions of interest from members with a diverse range of backgrounds and experiences.

Appointment criteria shall include diversity by category of appointment, discipline, department and faculty, except when there are bona fide reasons for restricting eligibility (e.g. when candidates from a particular group are explicitly sought).

Appointment criteria shall include diversity with respect to membership in equity-seeking groups including but not limited to persons with disabilities, Indigenous peoples, women, members of racialized groups, and members of LGBTQ2S+ communities.

VI. Eligibility

- Default eligibility criterion is Membership in the Association, except where noted below in accordance with the Bylaws
- Default diversity and equity criteria shall be as stated in the section above, except where noted in the appointments table

VII. Related Policies

- Association Representatives
